THE BRITISH WILLS & PROBATE AWARDS 2022

Probate Provider of the Year (Regional) - South

This award goes to a probate provider who has kept the interests of both the client and strategic provider at the forefront of its practice. The winning submission will demonstrate how the organisation works effectively with all stakeholders to achieve the best outcomes.

The provider will demonstrate a winning mix of staff competency and training, alongside processes which make the lives of the strategic partners and clients easier.

Criteria

The winner of this award must:

- Demonstrate the ability to deliver high standards of service and support to clients.
- Demonstrate how they provide real benefits to clients and strategic partners.
- Show that they work consistently to improve efficiencies and reduce costs for all parties.
- Show innovation in developing and bringing to market new service offerings.
- Provide at least one short description of a case undertaken within the last 12 months that demonstrates the team's approach to probate work.

As entries for this award are reserved for public providers of legal services only, suppliers to the legal industry cannot apply.

*For this award, firms are encouraged to submit links to online review platforms to qualify their submissions.

**Your firm will compete against other regional firms. There is no restriction in type or size of the firm, but their work should be mainly undertaken within the region.
