AWARDS 2022

CHRIS WHITTINGTON

BUSINESS RELATIONSHIP DEVELOPMENT
MANAGER, ZEDRA

WHY DO YOU BELIEVE YOUR CHOSEN NOMINATION IS A CHAMPION?

Since he joined Zedra, Chris has expanded the "Do More, Achieve More" monthly forum and each month there are around 30-50 attendees. His enthusiasm, knowledge and network are excellent and the speakers are interesting, refreshing and (most importantly) relevant. We learn a lot every single meeting. He approaches the group with a sense of fun and humour and this makes a light, positive group. Recently the group has also started making regular donations to chosen charities - so it's doing good for others too. He is also a huge supporter of many people on LinkedIn, constantly engaging in content and comments.

WHY SHOULD THE INDUSTRY VOTE FOR THIS INDIVIDUAL?

Someone voluntarily putting themselves out and taking time to organise a group / forum such as this should be celebrated. The aim is to share best practice, make connections and learn. Chris chooses to do this himself for the benefit of others and deserves huge recognition for it.

Chris is a fantastic individual. He is caring, hardworking, supportive of others and most importantly a fantastic industry leader and is the most deserving of this award.
