HELEDD WYN

DIRECTOR & HEAD OF PRIVATE CLIENT & LONG
TERM CARE, GL LAW

WHY DO YOU BELIEVE YOUR CHOSEN NOMINATION IS A CHAMPION?

Heledd is extremely well regarded with the Private Client and long term care sector. She is impressively knowledgeable and the “go to” person for practitioners looking for a little advice or helping hand. Heledd is passionately about the social care fee crisis and rising cost of living and frequently speaks out about these issues on her social channels. She is a full member of STEP, has sat on the STEP Mental Capacity Global Special Interest Group for 6 years, is a fully accredited member of SFE and is a former Trustee of BRACE. Heledd has also contributed to publications like the STEP Journal, New Jurist and Solicitors Journal.

WHY SHOULD THE INDUSTRY VOTE FOR THIS INDIVIDUAL?

Heledd is a fine example of empathy and passion within the industry. Her professionalism, knowledge and active participation in resolving key issues is something all lawyers can aspire to. She has also managed to maintain this high bar whilst recently battling cancer - and I think that's truly extraordinary. It shows strength of character and proves just how dedicated she is her clients. A worthy champion.
