

Community & Charity Champions

This award goes to the firm with a dedicated approach to community, charity and corporate social responsibility (CSR). The winner will be able to demonstrate a tangible and consistent programme of charity and/or community involvement over the last 12 months. Judges will look for a strong connection between the activities undertaken and the firm's values.

The winning submission will outline successful partnerships between the legal profession and the charity and/or wider community, a commitment and passion in making a difference, and where the initiative(s) have provided significant benefit to the firm, charity and wider community.

Criteria

The winner of this award will:

- outline the organisation's philosophy and policy regarding CSR.
- evidence the organisation's activities focused on CSR, community involvement and charity initiatives over the last 12 months.
- communicate clear and transparent links between CSR and activities undertaken.
- demonstrate positive outcomes resulting from the activities that have had a real impact on the intended groups.
- provide a statement as to planned approach and activities (in summary is fine) for the coming year.
